Please be aware that a dog in a new environment can be unpredictable. Every precaution should be taken to prevent the dog from getting loose.

Basset Hounds may be diggers, so they should not be left unsupervised in a fenced yard.

Mid-Atlantic Basset Hound Rescue. usually is unfamiliar with a dog's habits, so a new dog should not be given the run of the house without supervision.

All vet care must be pre-authorized, except emergencies. See above.

If you experience any problems, CALL US IMMEDIATELY.
